SHOULD THANK LORD

William Judkins Hewitt, Lynchburg. For Blessings of Year.—Cardinal Gibbons Thinks U. S. Ought To Resolve to Show Charity to All Peoples.

> Baltimore, Md.-Cardinal Gibbons New Year message is as follows:

"The chief thought that should occupy our minds at the advent of the New Year is to thank the Lord for the temporal and spiritual blessings that He has bestowed upon us during th last year both as a nation and as individuals. We should thank the Lord that we are at peace with the whole world and particularly so within our own borders, as we are free from domestic strife.

"We should thank Him for the temporal blessings that we enjoy and for the prosperity that abounds throughout the length and breadth of this great land of ours.

"Above all we should thank Him for all the spiritual blessings that He has conferred upon us individually, and it should be our principal resolution to mainifest our thanksgiving by a determination to adjust our lives during the spirit of charity to all men and hatred

KEEP THE KIDNEYS WELL

Health is Worth Saving, and Som Maysville People Know How to Save It.

Many Maysville people take their lives in their hands by neglecting the kidneys when they know these organs need help. Weak kidneys are responsible for a vast amount of suffering and ill health-the slightest delay is dangerous. Use Doan's Kidney Pills -a remedy that has helped thousands of kidney sufferers. Here is a Maysville citizen's recommendation.

W. F. Lynch, 127 W. Third street, Maysville, Ky., says: "My kidneys were weak and the passages of the kidney secretions were scanty and painful. Having used Doan's Kidney Pills before, I again got a box and they

and POSTUM

-the pure food-drink that meets the desire of young and old for a paletable table beverage which is wholesome and satisfying.

Postum is made only of clean, hard wheat and a small per cent. of New Orleans molasses. It tastes much like the higher grades of Java, but is absolutely free from caffeine, the drug in coffee, which causes so much headache, sleeplessness, indigestion,

nervousness and heart trouble. Coffee drinkers can learn something of value by a 10 days' change to Postum. Then, as the coffee poison is eliminated from the system, the brain works clear, nerves become steady, and the gradual return of peace and comfort will show plainly

"There's a Reason" for POSTUM

Postum now comes in two forms:

Regular Postum-Must be boiled 15 to 20 minutes.

Instant Postum-is a soluble powder. A scant teaspoonful stirred in a cup of hot water dissolves instantly.

The convenience of Instant Postum is apparent. But, when prepared seconding to directions, both kinds are exactly the same. The cost per cup is about equal.

-Grocers everywhere sell both kinds.
